

## Congratulations to Kentucky Architects Licensed by Examination!

During the Calendar Year 2019, the following individuals were licensed as architects by the Kentucky Board of Architects. They have recently met the requirements of KRS 323 and KAR 201, Chapter 19, specifically 1) a NAAB accredited professional degree from a school or college of architecture, 2) successful completion of the NCARB Architectural Experience Program, and 3) successful passage of the Architect Registration Examination administered by NCARB.
